2 August Midcareer Session

1. I sent word to [REDACTED] with the Midcareer Group that you would not be available on 2 August for the Q and A session at Headquarters. I stated that you had to go out of town on 31 July but would be pleased to accommodate your schedule to the Midcareer Group any time before then. [REDACTED] expressed his appreciation for your consideration but, after checking the program, found the schedule at Headquarters was inflexible.

2. [REDACTED] promised to get the questions over here on a priority basis the morning of 31 July so that you may review them with Lloyd who, I advised [REDACTED] would substitute for you on 2 August.
